

COMPLAINTS

Policy Document

Aims

Watchet Town Council has adopted a procedure to provide a transparent process for dealing with complaints made about the administration of the council or its procedures either directly to the council or referred on by another body.

Every effort should first be made by the Town Clerk or Chairman to resolve complaints to the satisfaction of the complainant by less formal measures, or explanations provided before resorting to the formal complaint's procedure.

If this approach is unsuccessful, the issue will be brought to the attention of the Full Council at the next available town council meeting, where a Complaints Committee will be appointed to deal specifically with this complaint and others that may arise.

The Code of Practice below will be employed to ensure that any complaint is properly and fully considered.

Complaints against an Individual

It should be noted that the procedure is not appropriate for a complaint made against an individual.

Complaints about a member of the Town Council staff will be dealt with as an employment matter. The matter will be dealt with internally and the appropriate action taken as required.

Complaints regarding Town Councillor's are now subject to the jurisdiction of the Standards Advisory Committee. In the first instance complaints should be addressed to the Monitoring Officer, Somerset West & Taunton Council on:
